CHRYSALIS ACADEMY WESTERN CAPE TRUST FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

TRUSTEES' RESPONSIBILITIES AND APPROVAL

The trustees are required to maintain adequate accounting records and are responsible for the content and integrity of the financial statements and related financial information included in this report. It is their responsibility to ensure that the financial statements fairly present the state of affairs of the trust as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and the Trust Deed. The external auditor is engaged to express an independent opinion on the annual financial statements.

The financial statements are prepared in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and the Trust Deed and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The trustees acknowledge that they are ultimately responsible for the system of internal financial control established by the trust and place considerable importance on maintaining a strong control environment. To enable the trustees to meet these responsibilities, the trustees set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the trust and all employees are required to maintain the highest ethical standards in ensuring the trust's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the trust is on identifying, assessing, managing and monitoring all known forms of risk across the trust. While operating risk cannot be fully eliminated, the trust endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The trustees are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The trustees have reviewed the trust's cash flow forecast for the year to 31 March 2026 and, in the light of this review and the current financial position, they are satisfied that the trust has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditor is responsible for independently auditing and reporting on the trust's financial statements. The financial statements have been examined by the trust's external auditor and their report is presented on pages 5 to 6.

The financial statements set out on pages 7 to 18, which have been prepared on the going concern basis, are hereby approved.

MF Le Roux

CHRYSALIS ACADEMY WESTERN CAPE TRUST FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

TRUSTEES' REPORT

The trustees have pleasure in submitting their report on the financial statements of Chrysalis Academy Western Cape Trust for the year ended 31 March 2025.

1. NATURE OF BUSINESS

Chrysalis Academy Western Cape Trust is a registered non-profit organisation engaged in providing training to formerly disadvantaged communities.

There have been no material changes to the nature of the trust's business from the prior year.

2. REVIEW OF FINANCIAL RESULTS AND ACTIVITIES

The financial statements have been prepared in accordance with IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the trust are set out in these financial statements.

Net deficit of the trust was R1 941 769 (2024 - deficit R2 070 368), after taxation of R58 744 (2024 - R32 451).

3. EVENTS AFTER THE REPORTING PERIOD

The trustees are not aware of any material event which occurred after the reporting date and up to the date of this report.

4. NON-CURRENT ASSETS

There were no major changes in the nature or the use of non-current assets of the trust during the year.

5. TRUSTEES

The trustees in office at the date of this report are as follows:

Names	Changes
MF Le Roux	
DH Pinnock	
DH Van Zyl	Resigned 21 July 2024
NS Moeng	

6. GOING CONCERN

The trustees believe that the trust has adequate financial resources to continue in operation for the foreseeable future and accordingly the financial statements have been prepared on a going concern basis. The trustees have satisfied themselves that the trust is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The trustees are not aware of any new material changes that may adversely impact the trust. The trustees are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the trust.

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF CHRYSALIS ACADEMY WESTERN CAPE TRUST

Opinion

We have audited the financial statements of Chrysalis Academy Western Cape Trust set out on pages 7 to 18, which comprise the statement of financial position as at 31 March 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Chrysalis Academy Western Cape Trust as at 31 March 2025, and its financial performance and cash flows for the year then ended in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and the requirements of the Trust Deed.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the trust in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The trustees are responsible for the other information. The other information comprises the information included in the document titled "Chrysalis Academy Western Cape Trust financial statements for the year ended 31 March 2025", which includes the trustees' report and the trustees' responsibilities and approval report which we obtained prior to the date of this report. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation and fair presentation of the financial statements in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and the requirements of the Trust Deed, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CHRYSALIS ACADEMY WESTERN CAPE TRUST FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

ACCOUNTING POLICIES

1. Presentation of the financial statements

The financial statements have been prepared on a going concern basis in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and the Trust Deed. The financial statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

1.1 Significant judgements and sources of estimation uncertainty

In preparing the financial statements, management is required to make estimates and assumptions that affect the amounts represented in the financial statements and related disclosures. Use of available information and the application of judgement is inherent in the formation of estimates. Actual results in the future could differ from those estimates which may be material to the financial statements. Significant judgements include:

Impairment testing

Ongoing assessments are made regarding any potential impairment of assets using various valuation methods.

Provisions

Provisions are based on an estimate determined by management from available information.

Taxation

Judgement is required in determining the provision for income taxes due to the complexity of legislation. There are many transactions and calculations for which the ultimate tax determination is uncertain during the ordinary course of business. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

Expected useful lives

Items of property, plant and equipment are depreciated over their useful lives taking into account estimated residual values. The expected useful lives and residual values are assessed after taking into account various factors.

1.2 Property, plant and equipment

Property, plant and equipment is carried at cost less accumulated depreciation and any accumulated impairment.

Depreciation is provided using the straight-line method to write down the cost, less estimated residual value over the useful life of the property, plant and equipment as follows:

Item	Average useful life
Communication equipment	5 - 18 years
Climbing tower	6 - 25 years
Furniture and fittings	6 - 10 years
IT equipment	3 - 10 years
Leasehold property	5 - 18 years
Mattresses and bedding	4 - 25 years
Motor vehicles	5 - 25 years
Office equipment	5 - 9 years
Other equipment	5 - 25 years
Workshop equipment	5 - 18 years

The residual value, depreciation method and useful life are reviewed at each annual reporting date if there are indicators present that there has been a significant change since the last reporting date.

CHRYSALIS ACADEMY WESTERN CAPE TRUST FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

ACCOUNTING POLICIES

1.3 Financial instruments

Financial instruments at amortised cost

Financial instruments may be designated to be measured at amortised cost less any accumulated impairment using the effective interest rate method. These include trade and other receivables, loans, cash and cash equivalents and trade and other payables. At each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If so, any impairment is recognised in the statement of profit or loss and other comprehensive income. The carrying amounts of trade and other receivables and trade and other payables approximate their fair values due to the short term nature of such amounts.

Deferred income

Deferred income represents grant income in which the specified future performance conditions have not been satisfied. Deferred income is measured at amortised cost.

Financial instruments at fair value

All other financial instruments are measured at fair value through surplus and deficit.

1.4 Tax

Current tax assets and liabilities

Current tax for current and prior periods is, to the extent unpaid, recognised as a liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess is recognised as an asset.

Current tax liabilities and assets for the current and prior periods are measured at the amount expected to be paid to or recovered from the tax authorities, using the tax rates that have been enacted or substantively enacted by the reporting date.

Tax expenses

The organisation is exempt from income tax in terms of section 10(1)(CN) of the Income Tax Act. Any current tax payable is recognised as an expense and included in surplus for the period.

1.5 Leases

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership.

Operating leases - lessor

Operating lease income is recognised in terms of the leases agreement as receipts are structured to increase in line with expected general inflation.

Operating leases – lessee

Operating lease expense is recognised in terms of the lease agreement as payments are structured to increase in line with expected general inflation.

CHRYSALIS ACADEMY WESTERN CAPE TRUST FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

ACCOUNTING POLICIES

1.6 Impairment of assets

The trust assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the trust estimates the recoverable amount of the asset and recognises the impairment in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of impairment is recognised immediately in surplus or deficit.

1.7 Revenue

Government grants are recognised when there is reasonable assurance that:

- the trust will comply with the conditions attached to them; and
- grants will be received.

Government grants are recognised as revenue over periods necessary to match them with the related costs that they are intended to compensate.

A government grant that becomes receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the trust with no future related costs is recognised as revenue in the period in which it becomes receivable.

1.8 Other income

Other income represents income received other than government grants and donations. Other income is recognised when services are rendered and is measured at the fair value of consideration received and represents the amount receivable for goods and services provided net of discounts and value added tax.

Interest is recognised, in surplus or deficit, using the effective interest rate method.

Rental income is recognised in accordance with the policy on leases.

1.9 Borrowing costs

Borrowing costs are recognised as an expense in the period in which they are incurred.

18. GOING CONCERN

The trustees believe that the trust has adequate financial resources to continue in operation for the foreseeable future and accordingly the financial statements have been prepared on a going concern basis. The trustees have satisfied themselves that the trust is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The trustees are not aware of any new material changes that may adversely impact the trust. The trustees are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the trust.
